### ANGELA PISANI. By the late George SYDNEY SMYTHE, Seventh Viscount Strangford. With a Memoir of the Author, by the VISCOUNTESS STRANGFORD. In 3 vols. crown 8vo.

"The characters in 'Angela Pisani' are elaborately worked out; the scenes and incidents are rich, varied, and poetic; the historical and political ideas interwoven with the dialogue are bold and striking; while over all breathes that nameless charm which tells us we are in the presence of genius."

*Pall Mall Gazette.*  
"It is not only in delineation of human nature that the author excels. His descriptive passages are magnificent, and at times there is a power about them which positively touches the sublime. If any reader should think that this eulogium sounds somewhat hyperbolic, let him study the pages describing the camp on the eve of Austerlitz."—*Morning Post.*  
"One stage of the story takes the reader to the Battle-field of Austerlitz. The author's fancy paints vividly the stir and turmoil of war, the dazzling show of splendour, and the gay courage of the troops which ushers in these as bright sunshine may a heavy storm; it pauses in the heat of swift narrative to rest with an admiration which some will think too intense upon the central figure of Napoleon. It would be difficult to point to a more impressive picture of that figure than is given in a short space, as it would to find a more spirited description of the cavalry charge than that which follows."

NEW NOVEL being nearly exhausted, a Fourth is in  
preparation, and will be ready shortly.

THREE FEATHERS. By William Black,  
Author of "A Daughter of Heth," "A Princess of Thule," &c.  
3 vols. crown 8vo, 31s. 6d. [Third Edition, now ready.]  
"It is almost superfluous to say that this is a good novel. 'Three  
Feathers' is a book which no one but the author of 'A Daughter of  
Heth' could have written, and which all persons who appreciate real  
humour, good character drawing, and beautiful landscape painting in  
words, will love to read once and again."—*Standard.*

NOTICE.—Now ready, the THIRD EDITION of  
MR. R. D. BLACKMORE'S NEW NOVEL,  
ALICE LORRAINE: a Tale of the South  
Downs. By R. D. BLACKMORE. Author of "Lorna Doone,"  
"The Maid of Sker," &c. 3 vols. crown 8vo, 31s. 6d.  
[Third Edition, now ready.]

The SATURDAY REVIEW finishes a very favourable review by  
saying:—  
"For the rest we will only say that Mr. Blackmore's  
'Alice Lorraine' will sustain his reputation as one of our  
best English novelists. Sceldom have we come across so  
fresh and pleasant a prose idyll."

The STANDARD of May is begins a long notice by saying:—  
"Not less happily than 'Thalaba's' would the reviewer's  
days go by if they often brought him such a book as 'Alice  
Lorraine.' To fall in with a novel like this, witty, healthy,  
and humorous, and at the same time full of poetry and  
beauty, alike of womanhood and nature, now so quaint  
that one chuckles over its pages as one chuckles over 'Gryll  
Grange' or 'Tristram Shandy,' and anon so weird and fateful  
that one holds one's breath, as when one reads the last  
chapters of 'The Bride of Lammermoor,' is enough to com-  
pensate one for wading through half a cart-load of un-  
rational and stupid romances."

Colonel EGERTON WARBURTON'S  
JOURNEY ACROSS AUSTRALIA. Giving a full Account of  
his perilous Journey from the Centre to Western Australia. Illus-  
trations and a Map. Edited, with an Introductory Chapter, by C.  
H. EDEN and H. W. BATES, of the Royal Geographical Society.  
Demy 8vo, cloth extra, 16s. [This day.]

"Many courageous and intrepid men have endeavoured to pene-  
trate the great secret of the Australian Continent, but Col. Warburton  
has done more than them all. The plain and unadorned journal, in  
which he records the daily events of his fearful journey across the  
Western interior of Australia, is a record of rare fortitude and endur-  
ance. The sufferings and privations were intense, but he did what he  
set out to do, and has added immensely to our knowledge of the Aus-  
tralian interior."—*Nonconformist.*

## THE ANNALS of a FORTRESS. By VIOLET LE DUC.

The *Pall Mall Gazette* says:—"The design of the book is of that  
striking simplicity which, when directed to the right end, is indica-  
tive of true genius. . . . He, in fact, has made of his history of the art  
of fortification at once a valuable handbook and a very charming  
romance. . . . A work that combines amusement with instruction in a  
very rare degree."

The *Standard* says:—"This is a delightful as well as an instructive  
book, and will afford pleasure to the general public as well as to mili-  
tary engineers. . . . Seven sieges, in all, it undertakes, and each is told  
with a life, fire, and detail which render the book one of the most in-  
teresting which we have read for a long time. It is, indeed, an histor-  
ical novel of the very best kind."

## MOODY AND SANKEY.

**AMERICAN ORGANS in every variety of CRAMER'S Manufacture and on CRAMER'S Three Years System.**

Prices from 15 Guineas, or £1 11s. 6d. a Quarter.

CRAMER and Co. by no means wish it to be understood, as in some quarters it would seem to have been, that their AMERICAN ORGANS are used by Messrs. Moody and Sankey at their interesting meetings.

CRAMER'S instruments are much more solid in manufacture, and infinitely superior in quality of tone, and are certainly not open to the objection made by perhaps the most influential literary and musical journal to the imported organs:—"Judge! from the artistic point of view, the instrument is no more agreeable to the ear than is the stentorian power displayed by the singer."

Moreover, while CRAMER'S AMERICAN ORGANS are more satisfactorily made, and better finished in all respects, they are sold at prices varying from 15 to 25 per cent. below those of all imported instruments.

These, and all other instruments of CRAMER'S manufacture, can be had on the three years system, which, originated by CRAMER'S, has been partially adopted by other firms, but is carried out on a thoroughly large and liberal scale only by themselves.

## MESSRS. RIVINGTON'S NEW LIST.

**DICTIONARY of SECTS, HERESIES, ECCLESIASTICAL PARTIES, and SCHOOLS of RELIGIOUS THOUGHT.** By Various Writers. Edited by the Rev. JOHN HENRY BLUNT, M.A., F.S.A., Editor of the "Annotated Book of Common Prayer," &c. Imperial 8vo, 36s.; or half-bound in morocco, 27. 8s.

"Taken as a whole, we doubt not that the Dictionary will prove a useful work of reference; and it may claim to give in reasonable compass a mass of information respecting many religious schools, knowledge of which could previously only be acquired from amid a host of literature. The articles are written with great fairness, and in many cases display careful scholarly work."—*Athenæum*.

"A whole library is condensed into this admirable volume. All authorities are named, and an invaluable index is supplied."—*Notes and Queries*.

"We have tested it rigidly, and in almost every instance we have been satisfied with the account given under the name of sects, heresy, or ecclesiastical party."—*John Bull*.

"After all deductions, it is the fullest and most trustworthy book of the kind that we possess. The quantity of information it presents in a convenient and accessible form is enormous, and having once appeared, it becomes indispensable to the theological student."—*Church Times*.

"It has considerable value as a copious work of reference more especially since a list of authorities is in most cases supplied."—*Examiner*.

By the same Editor.

**DICTIONARY of DOCTRINAL and HISTORICAL THEOLOGY.** By Various Writers. Second Edition. Imperial 8vo, 42s.; or half-bound in morocco, 27. 12s. 6d.

"We know no book of its size and bulk which supplies the information here given at all; far less which supplies it in an arrangement so accessible, with a completeness of information so thorough, and with an ability in the treatment of profound subjects so great. Dr. Hook's most useful volume is a work of high calibre, but it is the work of a single mind. We have here a wider range of thought from a greater variety of sides. We have here also the work of men who evidently know what they write about, and are somewhat more profound (to say the least) than the writers of the current Dictionaries of Sects and Heresies."—*Guardian*.

"A home to which the student will constantly recur, sure to find spacious chambers, substantial furniture, and (which is most important) no stinted light."—*Church Review*.

"The writers who are at work on it are scholars and theologians, and earnest defenders of the Christian faith. They evidently hold fast the fundamental doctrines of Christianity, and have the religious instruction of the rising ministry at heart. Moreover, their scheme is a noble one; it does credit not only to their learning and zeal, but also to their tact and discretion."—*London Quarterly Review*.

"It will be found of admirable service to all students of theology, as advancing and maintaining the Church's views on all subjects that fall within the range of fair argument and inquiry. It is not often that a work of so comprehensive and so profound a nature is marked to the very end by so many signs of wide and careful research, sound criticism, and well-founded and well-expressed belief."—*Standard*.

"Within the sphere it has marked out for itself no equally useful book of reference exists in English for the elucidation of theological problems."—*Church Times*.

"Infinitely the best book of the kind in the language; and, if not the best conceivable, it is perhaps the best we are ever likely to see within its compass as to size and scope. Accurate and succinct in statement, it may safely be trusted as a handbook as regards facts. The book is sure to make its own way by sheer force of usefulness."—*Literary Churchman*.

**The ANNOTATED BOOK of COMMON PRAYER;** being an Historical, Ritual, and Theological Commentary on the Devotional System of the Church of England. Sixth Edition, Revised. Imperial 8vo, 36s.; or half-bound in morocco, 48s.

"The most complete and compendious commentary on the English Prayer-Book ever yet published. Almost everything that has been written by all the best liturgical and historical authorities, ancient and modern (of which a formidable list is prefixed to the work), is quoted, or referred to, or compressed into the notes illustrative of the several subjects."—*John Bull*.

"The book is a mine of information and research—able to give an answer almost on anything we wish to know about our present Prayer-Book, its antecedents and originals—and ought to be in the library of every intelligent Churchman. Nothing at all like it has as yet been seen."—*Church Review*.

**A CHRISTIAN PAINTER of the NINETEENTH CENTURY;** being the Life of Hippolyte Flandrin. By the Author of "Life of S. Francis de Sales," &c. Crown 8vo, 7s. 6d.

By the same Author.

**BOSSUET and his CONTEMPORARIES.** Crown 8vo, 12s.

"In the ten chapters that compose the work we have a rapid yet complete sketch of the life of Bossuet, accompanied by short and generally judicious criticisms of his works, which are arranged in chronological order, and thus play the part they ought to play in the biography of a man whose writings were his deeds."—*Athenæum*.

"We are always glad to welcome a fresh work from the graceful pen of the author of 'A Dominican Artist.' And the fact that not only is there no popular Life of Bossuet to be found in France, as we are told in the preface, but, so far as we are aware, no Life of him at all in English, gives an additional interest to the present volume."—*Saturday Review*.

"It contains so many interesting facts, that it may be profitably read even by those who already know the man and the period."—*Spectator*.

"Bossuet's daily life, his style of preaching, his association with the stirring political, social, and ecclesiastical events of his time, are presented in a simple but picturesque way, which will render the book acceptable far beyond the circle of those who occupy themselves specially with theological studies."—*Daily News*.

"Here is a clear and good work, the product of thorough industry and of honest mind."—*Nonconformist*.

"All biography is delightful, and this story of Bossuet is eminently so."—*Notes and Queries*.

"...The admirers of the great bishop will find in the new English biography a condensation of all the minutest details which are known about him, and which are spread in other works through numerous volumes. The tone of the work is agreeable, and not too florid. It is an historical study rather than a panegyric, and, notwithstanding the character of many theological questions, may be read without fatigue."—*The Nation* (New York).

"Much useful historical matter is presented in this volume in an effective manner, and it affords striking glimpses of the ecclesiastical 'situation' in France in the reign of Louis XIV."—*Literary World* (Boston).

"Is complete in all that is necessary to convey a uniform history of the time, and of the character of the subject of the memoir."—*New York Times*.

"Une biographie générale et complète, puisée aux meilleures sources, et toujours appuyée soit sur les œuvres mêmes du grand évêque, soit sur les mémoires contemporains, soit sur les jugements des critiques modernes les plus autorisés. C'est là un bon livre longuement médité, et qui ferait honneur à l'un de nos plus sérieux érudits."—*Polybiblion* (Paris).

**S. FRANCIS DE SALES, Bishop and Prince of Geneva.** New Edition. Crown 8vo, 6s.

"It is written with the delicacy, freshness, and absence of all affectation which characterised the former works by the same hand, and which render the books so very much more pleasant reading than are religious biographies in general. The character of S. Francis de Sales, Bishop of Geneva is a charming one: a more simple, pure, and pious life it would be difficult to conceive."—*Standard*.

"A book which contains the record of a life as sweet, pure, and noble as any man by Divine help, granted to devout sincerity of soul, has been permitted to live upon earth. It is a book worthy of acceptance."—*Daily News*.

**A DOMINICAN ARTIST: a Sketch of the Life of the Rev. Père Besson, of the Order of St. Dominic.** New and Cheaper Edition. Crown 8vo, 6s.

"These lectures are a noble contribution to the evidences of the Christian faith; and to those who have made themselves acquainted with the author's previous works on the witness to Christ borne by the Old Testament, by St. Paul, and by St. John, they will have a special value as consummating a cumulative line of argument which a very logical and a very reverent mind has exhibited with irresistible force."—*British Quarterly Review*.

"In these 'Eight Divinity Lectures to confirm the Christian Faith,' the will of the Rev. John Bampton has been profoundly carried out."—*Notes and Queries*.

"The Bampton Lectures of the present year are not only in themselves worthy of a most thoughtful study, but are admirably adapted to meet some of the foremost objections which are now being brought against the divine authority of the Holy Scriptures. We earnestly recommend our readers to buy the book for themselves."—*Literary Churchman*.

"A volume which ought to take its place beside the best standard works on the evidences of Christianity—a kind of literature in which the Church of England is peculiarly rich."—*Scotsman*.

"There is a graceful ease in the style, a sustained continuity in the thought, a cumulative force in the argument, and a range of thoughtful exposition which are not often found in such close combination, and which give to the volume a solid merit."—*Watchman*.

"His Bampton Lectures are perhaps the most suggestive and elaborate of all his productions, and would of themselves win for him a high position as a writer on Christian evidence."—*Freeman*.

"With thoughtful minds it will carry great weight."—*Churchman* (New York).

"An argument which has wonderful freshness and point, which is compacted together into a glowing treatise and logical statement, which is not encumbered and stiff with learning, which is written in the language of daily life, which embraces the results of thorough study up to most recent writers, and which anyone can read with profit. The preface, in which Mr. Leathes sums up the arguments in his lucid way, which are more elaborately drawn out in the Lectures, is one of the finest specimens of clear, candid, temperate reasoning in modern literature."—*Independent* (New York).

"Solid and satisfactory lectures. The lecturer never forgets that it is the cause of truth in which he is engaged, and he has enhanced the substantial value of his work by the candid and impartial spirit in which he has undertaken and completed it."—*Weekly Register*.
